

# SAVE MY PET DECLARATION

I, \_\_\_\_\_, a resident of \_\_\_\_\_, declare that this is my declaration of what should be done with my pet(s) when I am no longer able to care for them. As of this date \_\_\_\_\_, this is my pet declaration.

My pet(s) has been a huge part of my life. If I am incapacitated or die, I am making this arrangement for them.

My pet(s) listed below are to go to \_\_\_\_\_, who resides in \_\_\_\_\_. If s/he is not available at that time to take my pet(s), then they will go to \_\_\_\_\_, who resides in \_\_\_\_\_. If there is an additional option for a new home for my pet(s), I have listed the details here: \_\_\_\_\_

I give these pets together with any items, equipment and supplies that I maintain for their care and for each pet, the sum of \$\_\_\_\_\_ to be used for the pet's medical care and support.

These pets are my beloved friends who have brought me great joy and love. I trust whoever is reading this to do as I request and make sure my pets are safe.
